

Discontinuation of XMP-K24

Dear Sirs,

from January 2003 on our product XMP-K24 will be replaced by our new product XMP-K24plus.

Last orders for XMP-K24 will be accepted until 01.03.03. Repairs and deliveries in exchange are excluded from this discontinuation.

The new door control unit XMP-K24plus offers many advantages and extensions besides the functions of the K24 already known.

Encl.:
XMP-K24plus - Technical innovations

For any further questions we are always at your disposal.

Yours sincerely,

Your AUTEC - Team

Errors and changes excepted.

Datei: L:\AUTEC Aktuell\2002e\AKT1102e.cdr
