

Customer server

Dear Sirs,

from 28th November, 2003 on access to our customer server can be made through an even faster 2 Megabit connection.

Attention!

From now on our server can be reached under the following address:

<http://217.7.155.54>

As usual you can as well log in via our home page:

<http://www.autec-gmbh.de>

For any further questions we are always at your disposal.

Yours sincerely,

Your AUTEC - Team
