

## Simplified article numbers for Graphics workstations!

Dear Sirs,

From now on we will simplify the ordering of the graphics packages and offer them more favourable in price.

That means for each additional graphics workstation only the articles XMP-NT-153 and XMP-NT-010 are required.

The amount of graphics will be released once per system with articles XMP-NT-150, XMP-NT-151 and XMP-NT-152.

Article number	Function
<b>XMP- NT-150</b>	<b>Graphic package for 8 graphics for the visualization of alarms and processes</b> incl. release of 1st graphics workstation. Required once per system. <i>If the server will not be used as a graphics workstation, the article XMP-NT-010 must be ordered as well.</i>
<b>XMP- NT-151</b>	<b>Extension of graphics license from 8 to 32 graphics.</b> Required once per system.
<b>XMP- NT-152</b>	<b>Extension of graphics license from 32 to maximum number of graphics.</b> Required once per system.
<b>XMP-NT-153</b>	<b>Release of an additional graphics workstation.</b> This license has to be ordered for each additional graphics workstation desired, the license for the workstation XMP-NT-010 is required as well.

\* Prices are quoted ex works plus VAT.
